From the Pastor's Desk

When I arrived in March of 2017 we had four clerical workers, one property manager, a part-time youth director, and two musicians. Now we have ONE clerical worker, one property manager, one part-time Children, Youth and Family Coordinator, and two musicians. And we are without a doubt doing more today than we were six and a half years ago.

Since I asked the simple question, "If it is the 21st century how come we don't have a door opener?" a lot has happened. The flooring project was already in process. But we went to a lighting project. Pew cushions and kneelers followed. As did a kitchen project. And a parking lot and winterizing the garage. A Holy Spirit mobile was added. And then there is a playground, the Audio/Visual project, and the Columbarium/Memory Wall. Let's not forget new chairs and sidewalk. And I am forgetting some stuff. And in the middle of that adapting to a pandemic and developing a long-range plan.

We will easily, by this coming Christmas, have spent well over \$500,000 over the years. And we have built wells in Malawi, supported Missionaries in MAF, supported pantries, and increased our benevolence to the ELCA. This summer we sent a couple van loads of kids to camp. And Operation Christmas – that is just a continuous 'Wow!'

The amazing thing about this is that it happened without a capital campaign.

And all the social aspects have complemented this investment as well.

The key is pride. When members are proud they make improvements and invest in welcoming and future and growth. Pride is a good thing. Hubris is problematic, but pride makes us want to do good things and pride makes us want to share it with others. Hubris makes us want to circle the wagons, form an echo chamber, and make our world small.

In my neighborhood growing up, whenever someone built a garage, they hosted the neighborhood over.

Built a deck, same thing. It was because they were proud.

The core of the Church is the invitation from the Gospel of John "Come and see." When we are proud of a place the "Come and see" comes easier. The social expressions of the Church, fellowship, evangelism, outreach, worship, music, education, and embody "Come and see" in their planning, in their speaking, and in their doing.

Pride is contagious. "Come and see" gets easier and easier and becomes more natural. The generosity of time, spirit, and property becomes normal.

First Lutheran is full of people and is drawing people, who want to experience grace and be useful for God's world. As we continue to tweak and improve what we do, and as we say "Yes" to new things, and say goodbye to some dinosaurs that no longer serve us, the important thing is to never take it for granted, never rest on our laurels. Positive energy needs to be lovingly maintained so that we are always moving in the right direction. Never take for granted that our place is set, we can relax now - ask Sears and Kodak how that hubris worked out for them.

Let's keep things going in a good direction. And it is OK to be proud.

In Christ,

Memorial & Endowment Notes:

Plant your seeds now and trust in the Lord that these seeds will bear fruit even when you are gone.

Please keep August 4th in mind for any M & E requests. The committee meets on August 9th at 4:15 pm to discuss applications that have been received prior to the meeting. Just a reminder to use our online application. We look forward to reviewing requests and distributing funds to help with your next project or idea.

Students feel free to request financial assistance with your college tuition.

Thank you to Jim Schreiber for five years of service on the Memorial and Endowment committee. We would also like to welcome Connie Shield back to the committee. She will complete the last year of Jim's term. We are also happy to report that Sherry Beckman and Teri Lundeen will continue to serve another three-year term.

Columbarium/Memorial Wall Update:

We can now get an idea of what the Memorial Garden will look like. The cement work has been completed and the Memorial Plaques that have been ordered are mounted. The Columbarium is scheduled to arrive in the late summer or early fall. The costs of a Memorial Plaque or Columbarium niche still remain the same, but this cannot be guaranteed in the future. Right now the cost of a plaque is \$400.00 and a niche that holds two urns is \$2,900.00. A one-urn niche is \$2,700.00. Engraving of the plaque and niche plates will be included in the cost. Also, the niche price includes an urn and perpetual care. Your support and prayers are greatly appreciated.

CHILDREN, YOUTH, AND FAMILY MINISTRIES

BIBLE CAMP ROCKED!

Six of our younger kids attended a weekend camp called "Seeds" at Wapo Lutheran Bible Camp near Amery, WI. Their time at camp was filled with games, campfires, cabin devotions, arts & crafts, beach bash, worship, singing, eating and snacking, and Bible Study. The kids made new friends, enjoyed the beautiful outdoors, and learned through experience that God was with them as they were away from their parents, some for the first time overnight.

CHILDREN, YOUTH, AND FAMILY MINISTRIES

Six of our tween girls attended a full week of Bible Camp at Wapo at the end of June. Some tears were shed, but not at drop-off. The tears came on the final day when no one wanted it to end! A peek into their journals showed entries like this: "I learned that God is love, patience, and peace." "I learned that God has time for everyone." "I LOVED chapel and campfires because we worshipped God by singing and dancing!" "I made so many cool new friends!" It is unanimous that everyone wants to return next year! See the bulletin board in the church hallway by the offices for more fun camp photos.

CHILDREN, YOUTH & FAMILY 2023-24

Details for Terrific Tuesdays, Confirmation, and High School are being formulated throughout the summer. I continue to be grateful for the guidance and support of our Children, Youth & Family Leadership Team of Dan & Stacey Bergschneider, Alison Menk, Rhonda Passolt, Janet Rivard, Kris Treland-Neumann, and Sari Torstenson. These folks are passionate about the faith formation of the next generations! Questions and feedback about children, youth & family ministry at First Lutheran may be shared with any of these people as well as myself.

Recently-formed Confirmation Leadership Team

Bob Badal, Julie Jolivette, Dave Napieralski, Jill Reiche, and Jeff Reiche.

The purpose/goal of this new team is to create a mission-focused curriculum and plan that sends youth (6th-12th grade) out equipped and eager to use their God-given strengths and personalities in the world for Jesus' sake. Rather than a "short-term program," we are looking for a plan that will cultivate deeper continuous faith experiences that positively impact and sustain for a lifetime. God brought together just the right people for the task! We have been diligently meeting and are excited about the direction our work is taking. Details will be communicated in the near future and families can rest assured good experiences await their youth this fall!

Schedules and registration for K-12 will be sent to families by mid-August.

Women of First Lutheran

Everyone has a story

Many times we don't take the time to listen to the "story" of others we meet. We forget Jesus' example of eating, talking, and caring for all kinds of people – the tax collector, the woman at the well, the ill, or the blind. On a trip we were on I certainly forgot this lesson! The trip involved sightseeing on a bus. Ms. Loud Traveler really felt she needed to sit in the front seat all the time (a bad knee). The tour guide was accommodating and Ms Loud Traveler wasn't a complainer she just asked a lot of questions and required a lot of attention!

To be honest I tried to avoid her as much as possible during the trip.

On the flight home, I'm getting settled in the middle seat and Ms Loud Traveler ends up having the seat next to me. As you can imagine I tried not to roll my eyes but I was thinking this was going to be a long flight. We made polite quiet conversation and in the process, I learned that her husband had Alzheimer's and was in the nursing home. Her friend who was traveling with her had already lost her husband to Alzheimer's. These two ladies were supporting each other and taking a short break from their life at home. What a humbling experience! I had judged her unfairly.

As we meet others along our journey of life, may we take the time to realize that they have a "story" too that has shaped their lives.

Our second summer gathering of First Lutheran Church Women will be on Tuesday, August 8 at noon. .

There will be a luncheon and Bible Study with Pastor Joel leading the study. Lunch will be provided by the FLCW!! All are welcome to attend.

May you enjoy the rest of your summer,
Carol Schmidt

Favorite Hymns

If you ask people to list their favorite hymns, the list will go something like this:

Abide With Me
Beautiful Savior
Amazing Grace
What a Friend We Have in Jesus
Children of the Heavenly Father
I Was There to Hear Your Morning Cry
The Old Rugged Cross

And the more contemporary ones:

On Eagle's Wings
You Are Holy
Lord, I Lift Your Name on High

These hymns have made a difference in our lives; they shape our theology, bringing generations together. Simply put, these hymns have made a difference.

There may be no more burglary-safe possession than a hymn or song that we know by heart. Very few people have died with a sermon on their lips, but many have a memorized hymn text in their very last life moment.

Our First Lutheran Choir enjoys learning new anthems to sing on Sundays, but also loves when we do one of the old standards. We need these songs to nourish our thoughts and sustain our spirits. Singing is very simply---a joy.

Thanks be to God for poets, hymn writers, church musicians, choir directors, and especially choir members. They give us lovely gifts of music.

Humans are the only ones who can sing in harmony. Birds sing, winds blow haunting tunes occasionally, and fat tire bikers have a wonderful "whirring" sound at the start, but only we can do organized harmonies. God created us with voices for singing and feet for dancing to rhythms. Life's beginnings, baptisms, birthdays, confirmations, weddings, and funerals all have a component of music to them.

It's been said that "Americans aren't singing anymore" and it's partly true, but Lutherans are still hanging on to the tradition of singing the great hymns of the church.

Our choir at FLC is small but loyal and unbelievably dedicated. We would love to grow, but need your help. Come join us on Wednesday nights at 6:00 to rehearse as we sing our praises to God. We sing three times a month, year around, and would love to have you join us. All voice parts are needed.

With a song in your heart,

Patty VanLandSchoot

AN EVANGELICAL MINUTE

Living Our Lives With Faith

I think we can agree our lives are filled with times of interest and experiences. In fact, it brings to mind a special prayer for me:

"O'God, you have called your servants to ventures of which we cannot see the ending, by paths as yet untrodden, through, perils of unknown. Give us faith to go out with good courage, not knowing where we go, but only that your hand is leading us and that your love is supporting us through Jesus Christ, Our Lord. Amen"

Each of us may have different ways our lives have moved forward. However, our lives of faith bring us together, for following Jesus is a way of life. What a calming and comforting thing to focus on as we moved forward in time.

O most precious Lord, through the sacred everlasting love connection we have with you, may we strengthen our connection with others of faith as we work to help others and we go about our individual lives moving forward mirroring our faith.

In Christ,
Amen

Jean M. Christiansen

August 26, 1941 ~ June 14, 2023 (age 81)

Jean M. Christiansen, age 81, of Seeley WI, passed away Wednesday, June 14, 2023, at her home in Seeley. She was born in Chippewa Falls, WI on August 26, 1941, to Harry and Mabel (Erickson) Mittlesdorf.

Jean grew up on a farm in Colfax, WI. In 1958 she moved to Hayward and married Ervin Christiansen on June 4, 1960. They had 4 children.

Jean had a strong work ethic in and out of the home. She worked at the wreath factory in Hayward for many years, Telemark in housekeeping, and her favorite was the 2 nursing homes in Hayward. Being a nurse's aide, she made strong connections with a lot of the residents. She loved being outdoors tending to her flowers. She had a beautiful yard! The Nelson Lake dam was her favorite spot to go fishing. She'd go by herself but loved when family tagged along too.

She was survived by 3 children, Julie May (Peter), Brian Christiansen (Josie), and Joy Hayden (Bruce); 4 grandchildren, Michael and Philip Christiansen, Tessa, and Leah Hayden; 2 step-grandsons, Shawn and Shane Oemig; a sister, Irene Cook of Bloomer; one brother-in-law Barry Gobler of Hayward; one sister-in-law Carol Mittlesdorf of Hayward.

In addition to her parents, Jean is preceded in death by an infant daughter, Lori Ann; Husband, Ervin Christiansen; 3 sisters, Marian Whight, Sally Prill, Harriet Gobler; 3 brothers, Emery, David, and Larry Mittlesdorf.

There was a private burial at Riverside Cemetery in Seeley for the family. A Celebration of Life was held from noon to 4 PM on Saturday, July 8, 2023, at the Lenroot Town Hall.

The family would like to thank Regional Hospice of Hayward and especially nurse Maria.
