22 years ago our country faced the horrifying events of terrorism. Please take a moment today: 09/11/2023 to remember the day, honor the heroes, and grieve the losses.

First Lutheran Church Hayward, Wisconsin

From the Pastor's Desk

You know that recently I was in Alaska. In Fairbanks, we took a history cruise that taught us the native, gold, and war history of the Fairbanks area. During the cruise, we saw some properties along the river. It was extremely interesting. Along the river, one could see a home that was one of the original log cabins. Next to it would be an ultra-modern metal and glass home made of pyramids, rectangles, and cones. Next looked like Sanford and Son hit hard times – the people owned several trucks and snowmobiles in various states of disrepair and lived in a tarp-reinforced camper trailer with old tires rip-rapping their shoreline. Then would be a huge, three-story log cabin with personal pitching and putting green. Comfortable money, poverty, obscene wealth, and conspicuous consumption, all coexist side by side. Aren't there any building codes? Aren't there any covenants? What about property values? Alaska is libertarian. That means it is conservative when it fits its purpose. And it is liberal when it fits its purpose. They are hard to nail down politically. The building code is this: if it gets you through the winter – fine. The covenant is this: I won't tell you what to do if you don't tell me what to do. And it works.

Why does it work? Simple really. They all simply accept it. I know it wouldn't fly at Lake Owen – but on Lake Owen the people who live there are accepting of a different reality. There are lots of ways of doing things, there are lots of ways of governing, and there is more than one way to skin the cat as they say, but what is the common denominator where there is peaceful coexistence is that there is a general agreement or acceptance that this is how we will live together.

Sometimes things work not because it is designed perfectly but simply because the people involved have decided that this is how they will make it work. It works because no one opposes it. No one in their right mind believes it is perfect – the parties involved just decide that it works good enough as long as no one messes with it.

That is true of so many things. If we decide to make it work – it works. If we decide it is not going to work – it doesn't. Living together is more of a function of attitude than it is of having a highly functioning system.

People get along and work together mostly because they have decided to. Attitude.

We at First Lutheran offer an attitude to the community: grace and love. We gather because we have experienced the acceptance of God's love and we figure others would benefit from that acceptance too.

And we do works of love, good works because we figure it is more effective than hate or self-righteous judgment. We are under no illusion that we are perfect here, that is why we confess in the middle of every service, we just figure that grace and love are a good way to be together.

When I become part of anything bigger than me I usually join because of the public attitude they show. I never check their governing documents. I usually become a part of it because of how well they function together for the greater good.

Naysayers and grumps abound, and sometimes they are prophetic and should be listened to, but sometimes they are just sticks in the mud, wet rags, squeaky wheels. Never underestimate the power of good people just deciding to make things work. Faith is an attitude.

In Christ,

Memorial & Endowment Notes:

Plant your seeds now and trust in the Lord that these seeds will bear fruit even when you are gone.

The Memorial and Endowment Committee reminds students that scholarships are available to apply for post-high school education. Let us help you attain your educational goals with a little extra support with your finances. A limited number of awards are available annually each year. This scholarship is renewable for each undergraduate year, provided a student engages in meaningful ways in the life of the Church and in service to others and remains in good academic standing. For more information or to apply, please contact the church office or complete the request online.

First Lutheran will be welcoming new members on September 16th at the 5 pm service and September 17th at the 9:30 am service. If you would like to become a member or know someone who is interested, please fill out the form online at <https://flchaywardwi.org/membership/> or the back of the communion card in the pews at church and give it to the usher. If you have completed one of those items and have not received a phone call, please contact Rhonda Passolt at 715-563-2502 or passolt0826@yahoo.com. We look forward to welcoming several new members in September.

OUTREACH COMMITTEE

The Outreach Committee is asking for donations of **UNDERWEAR, SOCKS, SWEATPANTS, and SHOES** for kindergarten through 3rd grade sizes. Collection of these items will be during September and October and will be delivered to the schools. Donations can be placed in the box in the narthex. Children have accidents and a supply of emergency clothing is a necessity. Thank you for your continuing support!

Outreach words from Pastor Joel

Also, we are continuing the food pantry emphasis of Cash Instead of Cans. Cash really allows our pantries to get way more food than if we were to give the cash equivalent in cans. That's just how it is. We will never, however, stop collecting cans and boxes of food because it is 100% useful for the hungry. And while we are talking about that, if you are from that demographic that shuts your place down for the winter and we will not see again until next year, consider emptying your cabin pantry into our gathering bins here at Church. Rather than worrying about rodents or freezing weather ruining what's on your shelves, and rather than toting it all home, just bring it here.

In Love,
The Outreach Committee

SCANDINAVIAN DINNER & BAKE SALE VOLUNTEERS –

The organizing meeting is Monday, August 28, at 4:00 pm in the Fellowship Hall for the event being held on November 3.

Anyone interested in being part of the team is invited to join us at the organizing meeting. We are now recruiting for chairs (or chairs in training) and volunteers for a number of activities including ticket sales, kitchen, meatball cooking, rice pudding, lefse & lutefisk making, and bake sale. The dinner was restarted 28 years ago to honor our Scandinavian heritage. This event is one of our main fundraisers of the year and supports a wide variety of causes for First Lutheran, our local community, as well as national and worldwide charitable organizations. For more information or to express interest, please contact Kris Treland-Neuman 715-558-2796 Cell or kristreland@gmail.com

Meets monthly on the second Thursday of every month

Where: First Lutheran Church - Fellowship Hall

Six-week session group meets on Thursdays from 1:00 pm to 2:30 pm and runs each week from September 14th to October 19th. The six-week sessions are a bit more structured than the monthly meetings and are a good forum for those who have recently lost a loved one. Oftentimes, the six-week group participants move on to attend the monthly group.

All of our groups are open to anyone who has experienced the loss of a loved one. They are led by Regional Hospice Services caring staff and offered at no charge. No reservation is required. They firmly believe that grief shared is grief lessened.

Anyone interested can call the Regional Hospice office at (715) 634-6433 with questions or send us a message from our website at www.regionalhospice.org.

Women of First Lutheran

Humble Givers

My father was church treasurer for a time in our small church back home. He mentioned once that the largest giver in the congregation was not someone you would expect! It was a quiet couple who had a small farm – no fancy clothes, home, or cars. They gave from their heart. They were thankful for what God had given them.

I often think that especially farmers who love farming must put their faith in the Father. They have no control over the weather – too wet, too dry, too hot, too cold. So many elements are in God's hands.

There have been extreme acts of nature recently – super hot weather, fires out of control, and flooding. May we remember to give and pray for those in need here and around the world as they struggle to carry on with their lives? May we all be humble givers – thankful for the blessings we have received.

Carol Schmidt

Thank you – Thank you – Thank you

Thank you so much to Betty Beckman who shared her recent pictures of Germany – especially where Martin Luther had traveled. The potluck supper was delicious and fellowship was enjoyed by all.

Also a big thank you to Pastor Joel for his summary of the Summer Bible study "Salvation Now" in the "Gather magazine" in August. He brought additional insights to look for in the book of John. Thank you to the FLCW for treating the ladies to a luncheon catered by Lynn's Custom Meats.

AN EVANGELICAL MINUTE IS IT ANY WONDER?

What has happened to people working together in ways for the betterment of all? Instead, we see time and again, the coming together to benefit only one group, and with efforts to exclude what may help the rest of the people.

It hasn't always been this way or we wouldn't have advanced as a society as far as we have, and if we think about it a bit more, two more things seem probable. Number one, we seem definitely headed toward a totally divided society. And then as such, the ultimate question surfaces, "What will become of our precious democracy"?

All of this came to press more on me at one point recently in my daily life in light of my faith life. This isn't the way it should be! We need to care about how things are for all of God's people. God lays things out clearly for us. We need to care for each other.

Now each of us is in a different position in our society. Most of us are ordinary citizens as opposed to office holders, etc. Whatever. We need to reach out in any way possible to aid one another. I will close with words I remember from the past that say it all. "United we stand, Divided we fall."

Heavenly Father, we are thankful to be part of a wonderful country. Help us to work together in our surroundings on behalf of all. And further, I feel what a blessing to not work with and learn from your words but to write about them.

In Christ,
Amen

"Day 1" Radio Ministry.

"Day 1", a voice of mainline Christian Churches, presents messages by clergy representing mainline Christian faiths, including those of the ELCA. Peter Wallace, host for each broadcast, facilitates discussion with clergy on timely topics. This radio ministry reaches our shut-ins, visitors to the area, and others for whom regular worship and Church affiliation are not a part of their daily lives. The cost per broadcast is \$30.

We have First Lutheran members sponsor the "Day 1" weekly segments on radio station WRLS-FM (92.3). These segments air at 8:30am every Sunday. The sponsorship of a broadcast may be in honor of a person, or special occasion, or in memory of a loved one and is open to all.

The bell tower was dedicated at the annual meeting in January 1973. The freestanding structure was designed and constructed to house the church bell which originally hung in the steeple of the old church on the corner of 4th and Michigan.

Olaus Brathen paid his own expenses and traveled by train to select the bell from the McShane Bell Company of Baltimore, Maryland. The bell is a seamen's bell similar to those used on the coasts of Norway to help sailors get their bearings. It was cast of copper and tin, weighing fifteen hundred pounds and has a loud, clear tone that can be heard for miles.

Dear Members and Friends,

On behalf of myself and our family, I would like to thank everyone for their expressions of sympathy and love through cards, calls, and memorial gifts, and for coming to Dick's funeral service to celebrate his life. Your many kindnesses shown during Dick's illness and after his passing were so heartwarming to me and our family. I too wanted to express our thanks to Pastor Bacon for his kind words many times over and to our special Women of First Lutheran Church for helping serve our luncheon meal.
