March 2024

Mark Twain is one of my favorite writers, his blending of wit, subtlety, his appreciation of irony, and his overt humor are unmatched. Humorists are keen observers of human behavior and Twain once stated: "Travel is fatal to prejudice, bigotry, and narrow-mindedness, and many of our people need it sorely on these accounts. Broad, wholesome, charitable views of men and things cannot be acquired by vegetating in one little corner of the earth all one's lifetime." I believe this is true. I believe that most hate only comes from plain old ignorance. The only way to hate someone is to not know them. I know from history and experience that most everyday people are the same in spite of whatever their government says and does. While it is true that sometimes you meet someone and decide you don't like them, or you hope they don't date your daughter, but hating them is still a stretch.

Near where I went to Junior High school in downtown Rochester, MN, was, a block away, the Mayo Clinic. It was pre-HIPPA and in boredom, I would skip class and go watch the main entrance and lobby at the world-famous Mayo Clinic. There were desks, language desks, where translators were for the people who spoke German, Dutch, French, Spanish, Swedish, Norwegian, Spanish, Portuguese, Hindi, Urdu, Hebrew, Italian, Russian, Polish, Greek, and Swahili. The world came to Mayo and it was amazing and intriguing for me to meet all these fascinating people. So many colors, so many styles, so many languages, so many customs – and all there because they were ill and they were loved. It made my world bigger. It placed any sort of hate or bigotry on unstable ground.

This week the Birkebeiner will bring people from all over the world. It has been my pleasure and honor to speak an invocation at the Worldloppet Breakfast on Birkie Friday for several years now. These are skiers who have or are trying to, ski in five ski marathons throughout the world. I meet people from all over the world. I meet Olympians. They're all beautiful and wonderful.

Many of you know that I lived for a year on the island of New Guinea in the South Pacific. I worked with Americans, Canadians, Finns, Germans, Australians, Norwegians, Polish Catholic Seminary Students, a Belgian Priest, and a few hundred of New Guinea's 1100 tribes. My in-laws were missionaries to Cameroon. My brother-in-law has organized a ministry in Uganda. At college I was friends with students from Malta and Nepal and Senegal. In seminary I met colleagues from Ethiopia and Malawi and Madagascar. I had seminary professors, one an Indian, from India, who was born and raised in French Guiana and another South Korean who was an orphan who worked as a translator for US Troops during the Korean Conflict. And this is just what I remember off the top of my head.

All of these experiences have made for a richer appreciation of the world. I have come to the realization that the reason people hate people they do not know is ignorance, not experience. There will always be sin, and not a single person we meet will be perfect, but neither are we, neither am I. That is what we have in common, not what separates us. And all desire to be loved and accepted – just like me. Just like you.

In Christ,

AN EVANGELICAL MINUTE *THE JOYS OF READING*

How much fun it is to finish reading a book by our favorite author. We love their stories and look forward to starting another of their books. Their stories focus on wonderful entertainment time for us.

Another time spent reading is that spent reading God's Word as a person of faith. Here, the focus is on the promise of Our Savior as Mighty, Everlasting, Counselor, Prince of Peace, who with gentle wisdom is strong enough to solve the problems too big for us and was merciful enough to give His life for us.

Further, our reading brings us learning. For instance, we must overcome evil with good, telling us that's the only thing that works. Also, we are to live in peace with everyone. Don't let evil overcome us, but overcome it with good. These are just a few examples of scripture helping us with living our lives in relationships with our faith.

The Peace of God, which surpasses all understanding will guard your hearts and your minds in Christ Jesus. Philippians 4:7

In Christ,

Amen

Women of First Lutheran

An ever-present constant in our lives is **'change'**. We are often asked or required to change from a path that we plan to be on.

The date for our 2024 First Lutheran Women's annual meeting this year was changed due to the impending weather forecast. We quickly adapted and gathered a week later.

As part of the meeting agenda that day, those gathered voted on the next slate of officers for 2024:

Patti Nier - President

Gwen Mickelson - Vice President

Connie Schield - Secretary

Maxine Poppe - Treasurer

Thank you to those continuing and welcoming a bit of **change** as part of this new group. I look forward to opportunities for fellowship and serving alongside you in the many ways we lend a hand to support those in need. I encourage those who gather in one of our many groups: Koinonia, Jubilee Circle, Peace Circle, and Faith Hope and Love Circle to invite someone who might be new to our church community. Invite them to join you at your next meeting...it only takes one invitation to make someone feel welcome.

As I work to meet the February 15th deadline, for this March First Word, our community is immersed in **change**. At this very moment, we are watching as our community rallies to host a 2024 American Birkebeiner, which will be much different from in years past. No one appears to have slowed their pace... No one is marking time with feelings of... 'If only', but instead **change** appears to have energized those involved as they utter....'What if?'

When you read the First Word in March, this moment in time will mark **changes** for the 2024 Birkebeiner that have come and gone.

As a church community, we will be well on our way as we journey through Lent. Our journey will engage us in Lenten readings that take us From Despair to Hope.

Maybe... **change** along the way, might brighten your walk through Lent; From Despair to Hope.

Blessings to you,

Patti

Memorial & Endowment Notes:

Plant your seeds now and trust in the Lord that these seeds will bear fruit even when you are gone.

The aim of our endowment fund is to offer sustained backing for our mission. Each year, only a fraction of the annual earnings from the endowment fund is utilized, allowing the fund to perpetually expand. With strategic investment and growth, this fund acts as a safeguard against inflation while serving as a steadfast source of assistance. In the recent committee meeting held in February, it was decided to allocate \$10,000 from the Endowment fund for the year 2024. Thanks to the generosity of individuals, we are able to persist in supporting local food shelves and other organizations.

The committee eagerly invites suggestions and urges requests. Kindly fill out the online request form before May 6th, 2024, to ensure consideration for the upcoming round of fund disbursement.

Sometimes you see these things coming, and you know what decision has to be made, but still, you didn't want to make the decision. This March 2024 Issue will be the last "First Word: printed and mailed out. The reasons for this are many. Mostly it is a lot of time and money spent on being redundant – we are making a paper copy and sending it to people who mostly already can and do get the information they need through the website or through direct communication with their committee and circle chairs. It is just no longer a good stewardship of staff hours and print resources.

We will continue to have monthly articles from Pastor and leaders and committees and task forces, we will continue to have a care page and a calendar, it will simply now be only electronic, accessed through our website. Anyone not having electronic access to First Lutheran's website will be provided for.

Some changes we embrace, like moving from polyester tires to radials, or console TVs with tubes to flat screens, but some changes remind us that part of our world has been relegated to the past. We covet your patience and understanding.

In Christ,

Pastor Joel

new

Thank You! Thank You!

I would like to thank you for your support the past two years that I served as President of the FLC Women. It has been very rewarding and a pleasure to work with you and especially the FLCW Board.

The following women were elected at the January annual meeting of the FLCW: President – Patti Nier, Vice President – Gwen Mickelson, Secretary – Connie Schield, Treasurer – Maxine Poppe.

Please support them and pray for them as they serve you during the next year. Also at the meeting the Love Gifts (all the proceeds from the Scandinavian Dinner) were decided. A list of all the Love Gifts is posted on the bulletin board near the Fellowship Hall. It is a amazing outreach that helps our youth & members, the Hayward community and world organizations. Continue to share in fellowship and serve in love!

Blessings,

Carol Schmidt

Colin "Joe" Laberee

March 25, 1950 ~ January 31, 2024 (age 73)

Colin "Joe" Laberee, age 73, of Cable, WI passed away on Wednesday, January 31, 2024, at Essentia Health-St. Mary's Medical Center in Duluth, MN after respiratory complications following a several year struggle with pulmonary fibrosis.

Colin Richard Laberee was born March 25, 1950, in Glenwood City, WI the son of Richard and Aryles (Stene) Laberee. He was raised on the family farm in Boyceville, WI until early childhood when the family moved to Menomonie, WI. He graduated from Menomonie High School, then briefly attended the University of Wisconsin-Stout. He began his career as a laborer and quickly advanced, traveling throughout Wisconsin before starting at Chequamegon Telephone Company (Norvado), working as a residential engineer for over 30 years before retiring in 2006. He continued to do consulting for Tjader & Highstrom as well as Finley Engineering until 2012.

On June 18, 1983, he was united in marriage to Lorraine Spears at First Lutheran Church in Hayward, WI. Together they built their life in Cable where he enjoyed coffee at the local café, car shows with his Corvette, riding snowmobile, shooting billiards and trap. He was an active member of the community serving the Cable Area Lions Club for over 35 years helping prepare the St. Patty's Day dinner, Fourth of July celebration and delivering Meals on Wheels. Colin and Lori attended First Lutheran Church in Hayward for 41 years where he ushered and served two terms on the church council. He loved helping his brother on the farm with spring fieldwork and fall harvest, he enjoyed fishing trips to Canada, time at the hunting camp and NASCAR races. More than anything, he loved his family, taking several trips across the United States when his children were growing, visiting relatives near and far, annual spring break trips and most of all the delight of his grandkids.

Colin is survived by his wife Lori of 40 years; two children, Rachael of New Glarus, WI, Adam of Cable; three grandchildren, Benjamin, Alice and Annabelle; two brothers, Laverne (Jolene) of Glenwood City, Neil (Kim) of Menomonie; mother-in-law, Willa Spears of Drummond; two sisters-in-law, Glenna Spears of St. Cloud, FL, Kathleen Paulson of Sheboygan; brother-in-law, Wade (Mary Ann) Spears of Drummond; many nieces, nephews, cousins and aunts Janet, Darla, Lorraine and Ellen.

He was preceded in death by his parents; brothers, Paul and Donald; and his father-in-law, Glenn Spears.

A memorial service was held at 11:00 a.m. on Saturday, February 10th, 2024, at First Lutheran Church in Hayward with Pastor Joel Bacon officiating. A visitation was held beforehand from 10:00 – 11:00. A time of gathering with family and friends and luncheon followed at the church. A celebration of life will be held at a date to be announced.

In lieu of flowers, memorials may be donated to a charity of the giver's choice in his honor or to the Great Divide Ambulance Service, 13505 Jenkins Road, Cable, Wisconsin 54821.
