***Operation Restoration (mending God’s world)**

God desires a world where all receive, thank and share. God dreams of a world where there are no big deals and little deals, no rich and poor, no oppressors and oppressed – where humans live in harmony with all creation, each part living for the good of the whole. God dreams of SHALOM - a mended universe.

This curriculum uses relatable themes of feed, heal, forgive, pray and rest throughout activity centers that are engaging, multisensory, and fun: Art, Music, Science & Nature, Service Learning, and Storytelling.
