Jorge Socco SanTangelo

**First Lutheran Church Council** is seeking members to serve on a task force, which will conduct a “feasibility study” on hiring a full-time” Family & Youth Coordinator.” If interested, please contact Jeff Reiche. Council would like to begin this study in October.

### **A Message from the Outreach Committee**

As our September outreach initiative, the First Lutheran Outreach Committee is seeking monetary donations to be used to purchase primary and intermediate school supplies needed by local schools. From the cash donations collected in the wicker lunch box on the narthex table, the committee will purchase items deemed in short supply as the school year unfolds. Thank you for your continued support of our outreach efforts!

**The Outreach Committee** is looking for someone to take over the coffee ministry. Training is available! Important ministry!
